

EVERYTHING AT THE RIGHT TIME.

Seasonality is important to us –
this week we will be serving you a tasty
local vegetable from our region in a variety
of different ways. You can find it in the
menus, at the salad buffet, as part of the free
choice selection or even as a dessert.

**THIS WEEK IS ALL
ABOUT CABBAGE.**

Discover the surprising dishes created
by your kitchen team and enjoy a light
recipe from our seasonal calendar!
